### **Reminders**

- Students will be provided their SUID card and class schedule at the Commuter Welcome session.
- All orientation sessions will be held in the H.B. Crouse Gifford Auditorium, which is located off the quad near Hendricks Chapel. The closest parking area is in the Quad 1 lot. See map on next page.
- Staff will be at the doors to the auditorium to swipe SUID cards, which are needed to check into each session following the Welcome session.
- Commuter students are not provided a meal plan for the duration of their program. If you have an interest in purchasing a meal plan or adding funds to a declining balance account to eat on campus, that information will be discussed in more detail during the Welcome session.
- Commuter students do not have access to the Summer College residence hall. However, commuters often make connections with students in their academic program and wish to hang out with them in the residence hall. In order so do so, commuters must be signed in as a guest by a residential student. The residential guest policy permits daytime guests, signed in by a resident, until 9pm.

Your primary point of contact for Commuter questions and orientation is **Christopher Cofer**, Executive Director of Summer@Syracuse. Please do not hesitate to reach out to him with any questions you may have:
